

WHERE

You will serve in either Cuenca or Quito, Ecuador. Both cities are located high in the Andes mountain range and are widely known as two of the most beautiful Colonial cities in South America. You'll not only get to know these incredible cities, you'll be invited in off the cobblestone streets to meet precious children as you serve.

For both cities, you'll need to fly into and out of Quito. For those going to Cuenca, we'll put you on a plane from Quito to Cuenca and then the reverse for when you return home.
