

## **ORIENTATION INFORMATION QUIZ**

For this quiz, you need to read in-depth (or re-read to refresh your memory) all of the files on [www.orphanagesupport.org/volprogram.html](http://www.orphanagesupport.org/volprogram.html) (including OSSO's Mission Statement from the side menu bar), because three (3) weeks before your departure, we'll sign you up to take this mandatory online quiz (open book) on this material, and we'll send you an e-mail notifying you that this quiz is available for you to take.

*This quiz must be completed (and corrections sent) by one week before your departure.*

We estimate that reading the information will take approximately 2 ½ hours (for an average reader) without interruptions if you do it all in one sitting—and hopefully it will take you less time!

To take the quiz, we're estimating anywhere from 45 minutes to 1 ½ hours, depending on your preparation—the more you prepare, and the better knowledge you have of the information, the easier and faster the quiz will be for you!

In order to pass this quiz, you must get at least a 90% (which allows you to miss quite a few questions), and then you have to e-mail the correct answers for those questions that you missed (see Exambuilder Instructions for Quizzes).

You will not be allowed to work in the orphanages until you've taken and passed this quiz and sent the correct answers to the questions you missed.

Upon your arrival in Ecuador, you'll review most of this information during "Orientation" to make sure you know it (please keep in mind that you'll be held accountable for knowing all the rules and information provided, and it'll be much easier for you to know it if you read it well before going down) and before you'll be allowed to begin working in the orphanages.

Prepare well and everything will be easier for you.

Have fun reading!
